

I went to the sheep world and the horse riding farm. First, I tell you my horse riding story. I have never ridden a horse before. But I could ride a horse. It was very fun! Second, I tell you the sheep world story. I saw a sheep hair clipping show. I thought it was very interesting show. I want to go there again.

KOTARO

Hello!! We carried out on third Saturday activities today.

I went to Horse riding, the Sheep world and the Honey Centre. I felt very comfortable on a horse. Horse riding is very fun and amazing. The Sheep world was very wonderful and there were many different kinds of animals and plants. Sheep's wool was very fluffy. Honey Centre was very beautiful and there are many different kinds of honey. I enjoyed horse riding and the Sheep world!!

RYOSUKE

I went horse-riding and to the sheep world on the last Saturday in New Zealand. First, I went horse-riding. Before I did horse-riding, I felt uneasy to ride a horse. But to my surprise, I could ride it easily. Riding a horse made me very comfortable and excited! I'd like to do this again. Next, I went to the sheep world. There were many sheep and other animals in the park. And I saw the show. It was amazing. I want to spend more time in New Zealand!!!

KAISEI

I went to the farm on Saturday. And I rode a horse called "Regency". I had never done it before. So I was a little scared. But horse riding was so exciting! I want to do it again. After that, I went to the Sheep world and saw many animals. For example pigs, horses, deer, and sheep. When I saw a baby sheep, I felt very happy. They were very cute. I also saw the sheep shearing. It was scary, but interesting. When I touched wool, it was so soft. I was surprised. I had a good time!

RISEI

I went to horse ride and the sheep world. I got a little nervous when I rode a horse. But after I finished riding a horse, I wanted to ride more. And I could know sheep had much wool. When they did sheep shearing, it was powerful. And I went to the honey shop. I could have good memories for activity on my last weekend!!!!

SAKI

Today, we went to horse riding, the sheep world and the honey center. At first, we rode on a horse. We had to lead my horse by myself. It was very difficult for me. Second, we went watching shearing of the sheep show. I watched many animals with Karin and Rin. We could touch them. We watched the show. The sheep and lambs were very cute. Today was a very good day for me.

MINA

I went to horse ride and the sheep world on Saturday. First, I went to ride a horse. The horse was much bigger than I thought. But it was nice. Second I went to the sheep world. I saw a lot of sheep there. And I saw shearing of sheep. The wool looked very soft. I enjoyed today!

MAHIRO

I did horse riding last Saturday. I thought that horse riding would be very scary. But my horse was quiet. So I felt relieved. Horse riding was so fun because horse was kind. And I watched sheep. Sheep was cute and small. I felt sheep was very powerful. Then I went the honey center. I could buy many kinds of honey. All honey taste was good. I want to enjoy NZ more.

TEMMA

Today was our last activity in NZ. I was a little sad. I went riding a horse. I had never ridden a horse. But it was very fun because my horse was very gentle. After that I went to the farm. I looked at them shave sheep's wool. I felt sorry for sheep. At last we went to the honey center. The center is very small, but there were so much honey. I went to many places on Saturdays in NZ. I could have so valuable experiences. I want to have fun in the lastweek!

NAOKI

I went to horse riding and the Sheep world yesterday. Horse riding was very interesting. Because it is my first horse riding in my life. And did horse riding for about 40 minutes. Sheep world was also interesting. There were a lot of animals. Especially lambs were very cute. This was fun because it was the last Saturday activity.

YAMATO

I went to horse riding, the sheep world and honey center on 11th August. First I did horse riding. I had never done it before. But I was very excited! Second I went to the sheep world.
