I have a good time in New Zealand. My teacher is Dan and Robin. Dan is cool and funny. He is a good teacher.

My classmate is good, too. They are very friendly. But, I have a big problem. It is having broken my jacket fastener. It is a very terrible problem. I am very cold in the morning every day. But I try hard to learn English.

Hikaru AOTA

I hold on New Zealand life. Especially I speak my host family very hard. It is happy to speak with my host family. My house is very big. Particularly TV is bigger than the one in my house. And it was very cold today. Today's fog was very thick. But New Zealand is hot in the afternoon. I'll go forward with hope for tomorrow.

Seiji ARIKAWA

A week has passed since I came to New Zealand. New Zealand is very very fun!! And New Zealand people are so kind. One day I got lost on my way home. And I asked one lady for help. Then The lady said, "I will help you." From such a thing I thought New Zealand is a good country. At first it was full of anxiety but now it is safe. I will do my best from tomorrow.

Jin IGARASHI

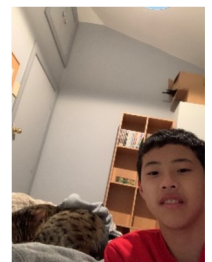

I have stayed here for one week.

I am trying to speak in English with my host family and I have studied English since three weeks ago. So I enjoy speaking in English with my host family. But I forget some English words, so I will study English harder.

I'm not good at English. But I am working hard by using a dictionary. I am not used to the life of New Zealand. I am trying hard to get used to it. In my house I am often playing with a cat. I'm doing hard and working hard. I'd like to work hard to get used to my New Zealand life.

Yuya KUBO

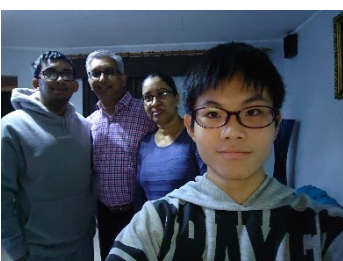

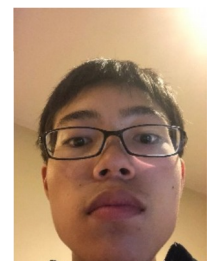

I arrived in New Zealand, and one week has passed. I am very fine. I was used to the life of New Zealand a little. The New Zealand food is very delicious. Our teacher is very tender, and the class of the school is fun. The life in New Zealand has just started. I want to do my best.

Yusaku TATSUMI

After one week. My school life and homestay lifestyle is hard for me, but I am getting used to it. At school it was difficult to get lunch and to understand English class. But I went to the beach and ate lamb cooking and saw animals. So, it was very fun. I would like to understand what my host family says and go somewhere with them. I think I will not feel anxious if I do my best.

Masayuki TANAKA

I am very tired after long traveling from Japan to New Zealand. But I am having lot of fun and getting used to my home stay and Auckland. I got a new family Hufiz, Sabrin, Rayhaan and Mustafa. They are kind and friendly. I was feeling a little strange from my life in Japan but now I am interested in everything here.

Mitsuaki FUJISHITA

Hello! think it is too fast to spend the time. It is almost one week. I am not used to be in my host family, but I always charge my energy by meeting friends, Ms. Mihata, and teachers of Kaplan. I made many new friends that come from all over the world. I could be more friendly with Konko students who do not talk with me so much. I will do my best.
