No. 9

I went to the Sky Tower on July 27th. We didn't have to use English in the activity. Because it isn't class. So I enjoyed myself!. The view from Sky Tower was very beautiful. So, I took a lot of pictures. We have two weeks to stay here. So, I want to talk with host mother more positively. And I'll do my best to enjoy NZ!!

I was looking forward to Saturday Activities. We walked to Sky Tower. I went up to the highest place. I was not as afraid of high places as I had expected. I could enjoy the beautiful view. The cars running around the city looked like miniature cars. After that, we walked around a nice city. The weather was good, so I had a pleasant time.

Aoi TAICHI

It was very fun! There are many big buildings like in OSAKA. But there are many road works, too. So sometimes I heard very big sounds and I was very surprised. When we went up Sky Tower, I was scared a little. Because I don't like high places very much. But the view was very beautiful! I'm happy because I could make good memory again.

I went to the Sky Tower. The Sky Tower was not much higher than I thought. But it was nice to take a lot of beautiful pictures. We found many shops and streets around the Sky Tower. I have failed once. It was that I came to the meeting place with my friends. I want to be able to go to the meeting place alone for the next activity. I am very looking forward to our next week activity, Horse ride and sheep sharing show!

I had an activity on July 27. The activity is going to SKY TOWER. First, we went to OK gift shop. We must go there by ourselves. After that, we went to SKY TOWER. SKY TOWER is 328 meters high. The people can go to LEVEL 60, 220 meters high. I'm bad at the tower, but I had a good time there. I will remember the scenery of SKY TOWER.

Tomoki OKAWA

I went to Sky Tower. It is 328 meters tall. It is not taller than Tokyo Sky Tree. But the view of Sky Tower was very beautiful. There were a lot of shops near Sky Tower. When I played with my friends near Sky Tower, I bought a lot of New Zealand souvenirs. I am enjoying so much.

Yuma KAKUHASHI

We gathered around OK gift shop. We were exited at that time. First, we went to the Sky Tower. I was very scared, but it was fun. Next, we went to see a drawbridge. The place is Auckland boat race headquarters. We took funny photos. It was very fun this time!

Makana KUSAO

We walked around the city. There are many big buildings and there are many shops in the city. Many of them are similar as Japan, but there is a different thing. It is that all streets have their own name in New Zealand. Next we went to the Sky Tower. We could see very beautiful views from the top of the sky tower. I had a lot of fun today.
